Condition Description
Glass plates are fragile, and paper copies should be used when possible. If necessary, photos and negatives are to be handled with untreated nitrile or latex gloves.

Repository
Local History and Special Collections Branch, Alexandria Library

Administrative Information

Preferred Citation

[item identification], Loeb Photography Collection, MS363, Alexandria Library, Local History and Special Collections, Alexandria, Virginia.

Biographical / Historical

Morris Loeb was a photographer in Alexandria for 55 years on 418 King street. Born Morris Leibowitz in Russia, April 1st 1878, Morris was trained in photography before coming to America with his wife Dora in 1906 and was naturalized in 1914. Morris worked with the Harris and Ewing photography studio in Washington D.C. before opening his own studio in Alexandria in 1909. He retired in 1864, and died July 31st, 1969 in Harrisburg, PA at the age of 91. He was a member of the Washington Masonic Lodge No. 22, the Alexandria Scottish Rite Temple, a charter member of the Kena Temple Shrine, and a founding member of the Agudas Achim Congregation. He had four children: Eva Cohn, Sara Hamburger, Jennebelle Weinstein, and Joseph Loeb.

Content Description

The collection contains photographs and negatives predominantly of historic Alexandria buildings and civic life from the 1910's to the 1940's. A small number of prints are from the late 19th century. The collection is made up of black and white prints and acetate negatives, with a small number of glass plate negatives and glass lantern slides. The collection has been split into two series.

Series II: Negatives

Unit Date 1888-1941

Scope and Contents
This series contains glass plate negatives, lantern slides, and acetate negatives. The content and numbers correspond with Series 1. The negatives are predominantly centered around historic buildings within Alexandria, and are chiefly from the 1920's and 1930's.

Separated Materials
Some of the acetate film has been removed and disposed of due to the onset of vinegar syndrome. Nitrate film has been removed and destroyed.
