Historical Information

Caroline County was formed in 1728 from Essex, King and Queen, and King William Counties. Additional parts of King and Queen County were added in 1742 and 1762.

Most loose records and deed books prior to 1836 and will books prior to 1853 were stolen, mutilated, and/or destroyed by Union troops who ransacked the courthouse in May 1864. A near-complete run of order books exists.

Scope and Content

Deed Book, 1758-1845, of Caroline County Court. The deed book records the name of the grantor and grantee, the county of residence of both individuals and the description of property being sold or transferred.
