## Historical Information

Henrico County was named for Henry, Prince of Wales, the oldest son of James I. It was one of the eight original shires established in 1634.

Recognized in 1634 as an original shire. All county court records prior to 1655 and almost all prior to 1677 are missing. Many records were destroyed by British troops during the Revolutionary War. Post-Revolutionary War county court records exist. Almost all circuit superior court of law and chancery and circuit court records were destroyed by fire during the evacuation of Richmond on April 3, 1865, during the Civil War. The county's circuit court held its sessions at the state courthouse in Richmond.
