## Historical Information

Buchanan County was named for the United States president James Buchanan and was formed from Tazewell and Russell Counties in 1858.

The 1902 voter registration books were created following the passage of the 1902 Virginia state constitution. The purpose of the 1902 state constitution was to maintain white suffrage while eliminating African-American voters by means of literacy tests as well as property and poll tax requirements.

Records were destroyed by fire in 1885; records created after that date suffered extreme damage in a flood in 1977.
