Access Restrictions

There are no access restrictions.

Acquisition Information

Accession 22241 was transferred by Dept. of Education, , 1944

Preferred Citation

Annual reports of the Superintendent of Public Instruction, [cite specific date and accessions used]. State government records collection, The Library of Virginia, Richmond, Virginia.

Scope and Content

These annual reports contain statistical information on teachers, students, boards and libraries, and information about school funds. These reports are prepared and submitted by the School Division Superintendents to the State Board of Education. A separate report is prepared for each county and city and then bound into books.

Scope and Content

May include statements of receipts and disbursements showing totals for each school division, statements showing local and/or state funds used for construction and instruction, receipts and disbursement for individual schools, statistical data reports, and other related information.
