Historical Information

Warren County was named for Joseph Warren, the revolutionary patriot who sent Paul Revere and William Dawes on their famous rides and who was killed at the Battle of Bunker Hill. The county was formed from Frederick and Shenandoah counties in 1836.

The Constitution of 1869 placed the sheriff's tax collection function in the new office of treasurer, who was both the cashier and the bookkeeper of the county. During the township period, (1870-1875) the township collector and clerk also had treasurer's functions; later the county treasurer's duties were expanded to include the township officer's activities.
