Biographical/Historical Information

The Real Estate Board was established in 1924 to regulate businesses and individuals representing others in real property transactions, including condominiums, cooperatives, and time-shares. The Board issues licenses to persons, partnerships, associations or corporations to act as real estate brokers or real estate salesmen or to advertise or assume to act as such real estate brokers or real estate salesmen and to promulgate regulations for education requirements for licensure and relicensure. An adjunct responsibility allows the Board to investigate housing discrimination under the aegis of the Federal Fair Housing Act. The Dept. of Professional and Occupational Regulation provides administrative support to the board.

Scope and Content

Minutes and related attachments documenting the meetings, activities, discussions, policy decisions, and recommendations of the Virginia Real Estate Board. Includes official board minutes. Includes official board minutes, as well as draft minutes, committee meeting minutes, agendas and other meeting materials. May also include informal fact finding hearing minutes, agreements, Fair Housing Committee minutes, committee reports, correspondence, guidelines, legislation, regulations and reports.

Topics may include alternative dispute resolutions, budgets, common interest community, fair housing, funds, and licensing fees.

Electronic records often contain board meeting packets with various attachments and draft minutes, while paper records often include minutes only. There may be some duplication between paper and electronic records. For transfers prior to 2012, records of individual boards were accessioned separately. After this, transfers of records (records starting in 2008) included all boards, which were accessioned under one accession number. There is a separate finding aid for the later transfers ([link to finding aid below](#)).
