Effective July, 1993, the Department regained its original name. The Department has been responsible for the these Boards: Board for Architects, Professional Engineers, land Surveyors, Certified Interior Designers and Landscape Architects; Board for Asbestos, Lead and Home Inspectors; Aucioneers Board; Board for Barbers and Cosmetology; Boxing, Martial Arts and Wrestling Advisory Board; Board for Branch Pilots; Cemetery Board; Common Interest Community Board; Board for Contractors; Fair Housing Board; Board for Hearing Aid Specialists and Opticians; Polygraph Examiners Advisory Board; Board for Professional Soil Scientists, Wetland Professionals and Geologists; Real Estate Board; Real Estate Appraisers Board; Board for Waste Management Facility Operators; and Board for Waterworks and Wastewater Works Operators and Onsite Sewage System Professionals.

The primary function of the Department is to provide administrative support to the boards within the Department which are currently responsible for licensing and certification of occupations. The Boards have regulatory authority for the issuance, suspension and revocation of certificates, permits, and licenses. The Department is operated by a director who is appointed by the Governor. The Department's activities are broken-down into sub-programs for each of the examining boards. Major activities include review and evaluation of the regulation of professions, examination of those wishing to enter one of the regulated professions, licensing, consumer complaint resolution, and investigation of alleged violations or laws. The mission of the Department of Professional and Occupational Regulation is to protect the health, safety and welfare of Virginians, while promoting a competent workforce, fair housing opportunities, and a productive economy.
