Historical Information

Northumberland County was named probably for the English county. It was formed about 1645 from the district of Chickacoan, the early-seventeenth-century name for the region between the Potomac and the Rappahannock Rivers. The date of the county's formation is conjectural because the act of assembly creating it is no longer extant, but internal evidence shows that the county was functioning in 1645.

The county suffered some losses in a fire in the clerk's office on October 25, 1710. Volumes beginning in 1650 that record deeds, court orders, and wills exist.

Scope and Content

Northumberland County (Va.) Organization Records, circa 1765-1935, typically consist of appointments of trustees, minutes, and miscellaneous records of religious organizations, fraternal organizations, independent associations, and cooperatives.
