Ms.1990.065

Unit Date

1964-1999

Language

The materials in the collection are in English and German.

Abstract

Inge Horton was born in Germany. She was a planner with the Planning Department of the City and County of San Francisco, California, from 1983 to 1998; member of the Board of Advisors for the International Archive of Women in Architecture. Her papers consist of architectural studies written while in Germany; presentations made at various women's architectural organization meetings, including the International Union of Women Architects; a curriculum vitae; and research files on early women architects in the San Francisco Bay Area.

The collection is open for research.

Conditions Governing Reproduction and Use

The copyright status of this collection is unknown. Copyright restrictions may apply. Contact Special Collections and University Archives for assistance in determining the use of these materials. Reproduction or digitization of materials for personal or research use can be requested using our reproduction/digitization form: <http://bit.ly/scuareproduction>. Reproduction or digitization of materials for publication or exhibit use can be requested using our publication/exhibition form: <http://bit.ly/scuapublication>. Please contact Special Collections and University Archives (specref@vt.edu or 540-231-6308) if you need assistance with forms or to submit a completed form.

Source of Acquisition

The Inge Horton Architectural Collection was donated to Special Collections in 1990.

Processing Information

The processing, arrangement and description of the Inge Horton Architectural Collection commenced and was completed in September 2010. Additional files were processed in March 2016.

Preferred Citation

Researchers wishing to cite this collection should include the following information: [identification of item], [box], [folder], Inge Horton Architectural Collection, 1964-1999, Ms1990-065, Special Collections and University Archives, Virginia Tech, Blacksburg, Va.

Biographical Note

Born in Germany, Inge S. Horton was educated in architecture and city planning. She graduated with a Diplom-Ingenieur from the Technological University of Berlin, Germany, 1965, and with a Master of City and Regional Planning from University of California, Berkeley, 1979. She has work experience in private, institutional and municipal planning departments. She was a planner with the Planning Department of the City and County of San Francisco, California, from 1983 to 1998.

She has held leadership positions in both the Organization of Women Architects and Design Professionals (OWA) and the International Archive of Women in Architecture (IAWA).

Her publications include several articles and two books in collaboration with Monica Hennig-Schefold on "Early Modern Architecture in Berlin" (1967) and "Structure and Decoration: Art Nouveau Architecture in Paris and Brussels" (1971). Horton also published a book on "Early Women Architects of the San Francisco Bay Area: The Lives and Work of Fifty Professionals, 1890-1951" (2010).

Scope and Content

The Inge Horton Architectural Collection consists of architectural studies written by Horton while in Germany; presentations made at various women's architectural organization meetings, including the International Union of Women Architects (UIFA); a Historic Structure Report for Julia Morgan building; copies of her books; a curriculum vitae; and files on early women architects in the San Francisco Bay Area for her book "Early Women Architects of the San Francisco Bay Area: The Lives and Work of Fifty Professionals, 1890-1951" (2010).

Angell, Patricia Vaughn**Unit Date** 1927**box-folder** 2 (box)**Container** 1 (folder)**Language** English.

Abstract Patricia Vaughn Angell is a retired architect in Berkeley who graduated in 1960 with a B. Arch and 1961 with a M. Arch from UC Berkeley studying under Eric Mendelsohn and W.W. Wurster. She had no difficulties in finding positions in architect's offices and qualified for the state license in 1966. She started her own office out of her home and did not need to advertise her services. Together with her friend, Labelle Prussin, she researched the life and work of Julia Morgan shortly after Morgan's death in 1957 and having the article published in the Dictionary of American Biography, Supplement No. 6, 1956-1960.
