Historical Note

Founded in 2008, the Blue Ridge Discovery Center is a non-profit environmental organization whose purpose, according to its website, is to inspire "creativity, discovery, and critical thinking through interest-driven and hands on activities focused on the Blue Ridge Mountains." In promoting conservation and creativity, the center collaborates with regional educational and outdoor institutions.

Scope and Content

This collection contains educational/informational materials published by Blue Ridge Discovery Center, a non-profit organization dedicated to hands-on learning opportunities promoting environmental awareness among the communities in Virginia's Blue Ridge Mountains. Within the collection is a poster published by the center in 2011 titled "The Aquatic Macroinvertebrates of Wilson Creek, Grayson County, VA."

Keywords

Local/Regional History and Appalachian South

Arrangement

The collection is arranged by material type.

Description of Subordinate Components
