Abstract

This collection of topographical maps was separated from the J. Hoge Tyler Family Collection (Ms1967-002). The set is comprised of 37 individually titled maps, arranged by assigned, pencilled-in numbers according to geographic location, with 1 (Winchester) being in the northwest and 34 (Norfolk) in the southeast. (The list below includes penciled numbers in parentheses.) Three additional maps are labeled A-C (Richmond, Bermuda Hundred, and Petersburg) and consist of a smaller-scale topography of the Richmond area. Areas depicted by the maps were surveyed between 1882 and 1892, and the maps were finalized in editions ranging between 1889 and 1894. Between maps 33 (Hillsville) and 34 (Norfolk) is a sizeable geographic area that appears to be missing from this collection. Map 34 (Norfolk) shows some damage at its western edge, with some of the map missing.
