Biographical/Historical Information

The Piedmont Environmental Council works with local residents on land use and conservation challenges. The Piedmont Historic Landscape Preservation Project was funded by the Division of Historic Landmarks in 1986 to produce a rural historic preservation plan for northeast Albemarle County. Jeffrey O'Dell performed the survey of the properties included in the survey.

Scope and Content

This is a collection of property surveys made by the Piedmont Environmental Council of Northeast Albemarle County properties.

Folder A contains a copy of the project proposal and other project documents.

Folder B contains photocopies of data sheets completed by O'Dell from site visits to properties in the survey area. Each folder is arranged by quadrant.
