Administrative Information

Biographical / Historical

Carrol Quenzel began working at the University of Mary Washington (UMW) in September 1943. He received his bachelor's and master's degrees from the University of West Virginia and his degree in Library Science from the University of Illinois. Before starting at UMW, he taught in public schools throughout West Virginia. Initially, Quenzel worked as the school's librarian and taught library science at UMW. However, the library science program ended in 1947, when Quenzel became the Professor of History and full-time Librarian.

During his professional career, Quenzel also participated in many historical and library journals, including the Virginia Magazine of History and Biography, the Tennessee Historical Quarterly, the Southern Librarian, West Virginia History, and the Ohio Historical Quarterly. He was the former president of the Virginia Library Association and served as a chairman of the Wallace Library Board in Fredericksburg. During his time at UMW, Quenzel heavily contributed to the library's collection. He increased the school's bound volumes from 35,074 to 185,916, its periodical collection from 225 to 846, and the library's annual budget from \$9,858.22 in 1943 to \$166,474.70 in 1967.
