Bio/Historical Note

Betty Coe Cinquegrana, nee Betty Lee Coe, graduated from Louisa County High School in Mineral, Virginia in 1960. She was offered the M. Frieda Koontz Award that helped fund her education at Madison College from 1960-1964. As a divorcee raising two children, Betty's mother could only afford to give her daughter \$100 towards tuition. The scholarships and financial assistance Coe received were vital to her academic success, and as such she wanted to give back to the College and help others with demonstrated financial need. To this end, she established the Betty Coe '64 and Paul J. Cinquegrana Scholarship, in honor of her and her husband, Paul. The scholarship is awarded to business students and future teachers. (See box 1, folder 36 titled "Making Gray Days Brighter," for additional background information about Betty Coe Cinquegrana and the scholarship in her name.) During her time at Madison College, Betty started out as a math major and later changed her major to business. She was also involved in many organizations such as Kappa Delta Pi, Phi Beta Lambda, Pi Omega Pi, and Zeta Tau Alpha.

Scope and Content

This collection contains materials related to Betty Coe Cinquegrana and her experiences at Louisa County High School and at Madison College from the years 1960-2014. Membership cards, initiation awards, and pledge membership cards for Kappa Delta Pi, Phi Beta Lambda, Pi Omega Pi, and Zeta Tau Alpha are also included. There is also a school binder of Coe's that contains her notes for biology, algebra, English 102, and English 40 at Madison College. After graduation, Coe kept track of her fellow classmates and newspaper clippings of

wedding announcements for her classmates are also included. Other materials include ephemera from her years at Madison and from her class reunions, including a class beanie and Madison College pennant.
