Bio/Historical Note

John Bowman Jr. was born on July 1, 1750 in Greenwich Township, Berks County, Pennsylvania. He married Mary Magdalene Surface most likely in 1777. They had six children: Elizabeth, George, John, Barbara, Catherine, and Mary. George and John Bowman were the eldest and only sons of John and Mary. John Bowman Jr. died on March 7th, 1816, three days after compiling his last will and testament. This particular Bowman family is a branch of the prominent pioneering and military family of Rockingham County of the same name (descended from George Bowman who settled in the area in 1731). There are financial records in the collection indicating the sale of a significant tract of land to David Bowman (son of Solon Bowman) from the heirs of the prominent Isaac Bowman (son of George Bowman mentioned above). One such heir from the deed, Mattie S. Bowman, also penned a letter to David Bowman, found in the second series of the collection, confirming that she was his niece and that the Bowman's of this collection were related to the prominent Bowman family of the area. Another such heir mentioned was Alpheus M. Bowman, a very prominent and successful statesman and businessman in Virginia. Solon Bowman, to which some of the wills relate to, was born July 11, 1844 and was said to have been an active and pleasant man in the Rader's Lutheran Church Community, and was also a soldier in the Civil War, said to be "gallant and brave."

Scope and Content

This collection consists of three folders of deeds, indentures, financial records, wills and a few other miscellaneous documents from 1765-1998, relevant to John Bowman and his descendants David, Joseph, Alpheus, Solon, and others. The wills contained in the collection belong to John Bowman Jr. and his son John Bowman, as well as several others. The land treaties and financial records belong mostly to David Bowman, grandson of John Bowman Jr. John Bowman was issued a Land Office Exchange Treasury Warrant for 374 acres in a section of Rockingham County, VA called "the forest" in 1811. Some documents indicate

connections with George Keezel and Charles E. Long. Six rolls of names and amounts record subscriptions for erecting a new Rader's Church in 1878-79. Most of the financial records correspond to sales of lands and deeds made to David and John Bowman, as well as records of money and notes given by various family members and acquaintances.

Folder 1, Deeds and Indentures, 1765-1893, undated, includes deeds and indentures relating to John and David Bowman, regarding mostly land sales throughout Rockingham County. Includes naturalization document for George Bauman.

Folder 2, Financial Records, 1871-1926, undated, includes lists of household property, 1888-1900 as well as notes, letters, and records on money exchanges and sales.

Folder 3, Wills and Estate Records, contain wills and records pertaining to the settlement of Bowman and Long estates, 1816-1998, and undated.
