Administrative History

The JMU Alumni association was formed June 13, 1911, soon after the first 20 women graduated from the school, then the State Normal and Industrial School for Women at Harrisonburg. At the time, it was known as the Alumnae Association, reflecting its all-women membership. As the growing Madison College began accepting male students, the association renamed itself the Alumni Association to reflect the institution's move towards coeducation. In 2017, the Alumni Association had over 127,000 members.

The JMU Alumni Association is a JMU organization which facilitates relations with JMU alumni and the university, encouraging their continued engagement and support for the school. The organization's membership consists of all individuals who have completed 12 credit hours from JMU or its previous institutional iterations.

The Alumni Association is directed by the Alumni Board of Directors, an executive committee, and representatives from the JMU Board of Visitors. The primary actions and strategies of the Board of Directors are carried out by the Office of Alumni Relations.

One of the most visible activities the Alumni Association organizes is class reunions. The reunions take place at regular intervals after a class's graduation. The Alumni Association handles the logistical issues in planning, notifying, and registering alumni for the event. Festivities often include campus tours, luncheons, and group photographs.

The Alumni Association also oversees the Bluestone Society, a subgroup of alumni from JMU having celebrated their 50th class reunion. Bluestone reunions are marked by larger-scale events and festivities and

the members' induction into the society. The earliest mention of the organization was in 1974 at the 50th reunion of the class of 1924. Its official title was given in 1983 for the joint reunion of alumni from 1908 to 1933. All alumni who graduated 50 or more years ago are automatically inducted into the society. The society's name comes from the bluestone architecture of the quad area, the oldest portion of the JMU campus.

Scope and Contents

The collection consists of the administrative files and photographs of the Alumni Association, all referring to the individual graduated classes of JMU, Madison College, and the State Normal School. The collection also includes the photographs used in a commemorative reunion book and a VHS tape of 1999 reunions.

Separated Material

The yearbook-style reunion book *Welcome back to the memories... the decade of the '40s* has been removed from the collection and is cataloged as part of Special Collections' rare book collection.

Arrangement

The collection is arranged in three series.

Unit ID 1

Unit ID /repositories/4/archival_objects/4174

Scope and Content

Series 1: Administrative Files, 1934-2015, is primarily made up of files used for the logistical planning of reunions and files created for reunion attendees. These files include photographs, reunion booklets, active class member lists, sign-up sheets, alumni correspondence, and newsletters. These files remain largely in their original order, organized by the graduating classes. Nearly every class file includes reunion booklets for reunions between 1970 and 2005. Most class files include group photographs of alumni during reunions, as well as candid shots of reunion festivities.

Some ephemeral material donated by alumni to be used to benefit reunion festivities. One such example is a Madison College degree as well as a sorority membership certificate, housed in the Class of 1955 file.

Also in the series are files for the Bluestone Society and unlabeled class files. The Bluestone Society file includes administrative files for early Bluestone Society reunions, as well as the alma mater for the society. The unlabeled class file includes materials from reunions, but hold no indication as to which graduating class they correspond.

Photographs with accompanying negatives remain in their original envelopes for organizational purposes.

A VHS tape labeled "1999 Reunions" is also included. This likely has recordings of the events and festivities of various reunions that took place in 1999. A note is included in the VHS box that lists names and addresses of alumni and their corresponding years, likely a list of alumni to whom copies of the VHS were distributed.

Scope and Content

Series 2: Photographs, 1945-1995, is made up of the photographs submitted by various 1940s alumni to be compiled into the "Welcome back to the memories... the decade of the '40s" yearbook-style book given to Bluestone Society members during reunions in the 1990s. All photographs have reference tags attached to refer to its location in the book. The photographs are largely of the 1940s alumni, most taken in the 1990s to represent the alumni at the time of the reunion. The alumni are mostly depicted with friends and family. Many photographs have hand-written notes on the back to identify those pictured and context. These photographs are all represented in the book, most with additional detail on those depicted.

Photographs are stored according to size for organizational purposes.
