Administrative Information

Conditions Governing Access

Some records may be restricted. Archives staff must review the collection for restricted material before research access is granted.

Access to certain categories of archival records is restricted because they contain material protected under federal or state statutes governing privacy and confidentiality. Examples include, but are not limited to, student, personnel, and medical records.

Preferred Citation

[Name of collection/item], Virginia Military Institute Archives.

Biographical / Historical

John S. Jamison, Jr. graduated from VMI in 1926 and taught in the Department of Electrical Engineering from 1926-1928, and from 1932 until his retirement in 1968. He served as department head from 1954-1968.

Scope and Contents

Records relating to the history of the Electrical Engineering Department, dating from Jamison's service as faculty member and department head.
