In some cases the citation format may vary. Please contact Special Collections' staff to verify the appropriate format.

Scope and Contents

Scope and Contents

Two photographs of the Morris House located on the front campus of Washington and Lee University. One image is a second generation print from an earlier negative of a snow covered Morris House - possibly taken by Michale Miley around 1900. The second photo is a snapshot from the late 1960s. The house in 2022 is used as a campus guest house.
