Biographical / Historical

The Mount Vernon Citizens' Association was a neighborhood organization for the area surrounding Mount Vernon that represented the interests of local residents. Two of its members, Mayme Parker and Bernice Carter Davis, started the annual tradition of hosting a Birthnight Ball in 1947 to celebrate the anniversary of George Washington's birth with proceeds donated to Mount Vernon. Both women were also interested in local history and wrote articles on the subject, along with participating in other regional events. The Mount Vernon Citizens' Association eventually dissolved into other organizations such as the Mount Vernon Council of Citizens' Associations and the Mount Vernon Civic Association. In 1995 the Mount Vernon Neighborhood Friends accepted the responsibility of hosting the Birthnight Ball every year which continues to be a major fundraiser for Mount Vernon.
