Abstract

Contains materials related to the coal mining, mineral deposits, and geology in Virginia. This material was collected in McConnell Library clipping files during the 1970s and 1980s. For more details see the [Radford University Archives website](#).

Collector

McConnell Library

Physical Characteristics

0.25 Linear feet.

Location

Located in locked compact shelving, shelf 30C, level 1.

Repository

University Archives, McConnell Library, Radford University

Administrative Information

Access Restrictions

An appointment for research is required. The collection is open for research. No interlibrary loan.

Use Restrictions

There are no restrictions.

Acquisition Information

Collected in McConnell Library clipping files.

Processing Information

Processed by Brandon Edwards. Finding aid by Brandon Edwards and Gene Hyde, Spring 2012.

Preferred Citation

[Identification of item], Virginia Mines and Mineral Resources Collection, Appalachian Collection, McConnell Library, Radford University, Radford, VA. Virginia Mines and Mineral Resources Collection , Accession # AC 017, University Archives, McConnell Library, Radford University

Accruals

No additional material is expected.

Custodial History

This material was collected in McConnell Library clipping files during the 1970s and 1980s.

Scope and Content

The Virginia Mines and Minerals Resource Collection holds a number of pamphlets with titles such as Minerals of Virginia from 1927 and Virginia's Minerals at War. Also present are bulletins with titles such as Mineral and Coal Studies From Virginia Tech and Virginia Geological Surveys. Newspaper clippings from the Roanoke Times, photographs taken in the year 1944, a Virginia Minerals Newsletter from 1977 and a map entitled Mineral Resources in Virginia are also found in this collection. Along with an executive order written in the year 1978 and documents such as Summary of Coal Mining in Virginia and Major Weaknesses of the Mining Law of Virginia.
