RG 6/14/7, Climate Capsule journals, Small Special Collections Library, University of Virginia.

Content Description

Twenty-seven "climate capsule" journals created as part of the 2019 Spring semester English course "Climate Fiction" taught by Professor Mary Kuhn (2019; 0.6 cubic feet). The journals consist of weekly observations and reflections from either specific routes or locations at the University of Virginia and Charlottesville, along with comments on cultural pieces regarding climate issues. The climate capsule journals are sealed until 2030.
