Immediate Source of Acquisition

The Law Library Special Collections department received this addition to the Mortimer Caplin Collection in October 13, 20176.

General

Addendum (c) to the Mortimer M. Caplin collection consists of 20 binders (4 cartons, 1 archival box, 4 linear ft.) that contain drafts of texts to Mr. Caplin speeches dated 1964-1986, and 2003-2014. It seems that the binders between 1987 and 2002 had been lost in one of Mr. Caplin's office moves. This collection has a copy of the 1992 Report on The Future of the Arts at the University of Virginia and a framed collage that recognizes Mr. Caplin's association and generosity to the University of Virginia Law School. Indexes to the each of the binders have been scanned.
