Administrative Information

Immediate Source of Acquisition

Peter Kinzler donated these papers to the Arthur J. Morris Law Library, in five installments, between 2015 and 2016.

Biographical / Historical

Peter Kinzler earned his bachelor's degree from Trinity College (Hartford, CT) in 1964, and his legal degree from Columbia Law School in 1967. After a short stint at the National Labor Relations Board, he spent 25 of the next 26 years working for the House and Senate of the United States.

As Counsel to the Consumer Protection and Finance Subcommittee of the House Interstate and Foreign Commerce Committee in the 1970s, he had the lead staff responsibility for federal, no-fault insurance legislation. While working for Senator Christopher J. Dodd (D-CT) on the Senate Banking Committee in the 1980s and 1990s, he played a major role in the development of the National Childhood Vaccine Injury Act and two iterations of product liability legislation.

After retiring from the Congress in 1995, he became President of the Coalition for Auto-Insurance Reform, where he led the private sector effort on behalf of federal and state efforts to enact the Auto Choice Reform Act. He retired in 2010.
