Descriptive Summary

Accession number

RG-24/3/1.561

Language

English

Physical Characteristics

This collection consists of 60 linear feet.

Repository

Special Collections, University of Virginia Library

Administrative Information

Access Restrictions

There are no restrictions.

Use Restrictions

See the [University of Virginia Library's use policy](#).

Acquisition Information

This collection was a gift of the editor on December 1956.

Preferred Citation

Papers of the Virginia Quarterly Review, Accession #RG-24/3/1.561, Special Collections, University of Virginia Library, Charlottesville, Va.

Additional Descriptive Data

Other Finding Aid

A slip list of proofs and manuscripts is available in the Special Collections Department.

Scope and Content Information

The collection consists of editorial correspondence with contributors during the tenure of the following editors: Stringfellow Barr (1931-1937); Lambert Davis (1937-1938); Lawrence Lee (1938-1942); Archibald Bolling Shepperson (1942); and, Charlotte Kohler (1942-1974). Included are almost all of the literary figures of this period, and many from other fields. Authors' original manuscripts together with proofs of almost every article and book review published in the Virginia Quarterly Review during this period. Proofs and manuscripts are filed in a separate sequence, chronologically by date of publication. A slip list of proofs and manuscripts is available in Special Collections.

Arrangement

Correspondence is filed alphabetically. Proofs and manuscripts are individually foldered and filed in a separate sequence, chronologically by date of publication.
