Profile Description

Creation: Machine-readable finding aid derived from MS Word, created by Stephanie Brooks, 4/20/2008

Language Usage: Description is in English

Descriptive Summary

Accession Number

9698

Language

English

Physical Characteristics

This collection consists of 2329 black and white photographs.

Repository

Special Collections, University of Virginia Library

Administrative Information

Access Restrictions

There are no restrictions.

Use Restrictions

Photographs may not be reproduced without the permission of the copyright owner.

Acquisition Information

This collection was an archival transfer from the Reference Division, University of Virginia Library, 1971 February 23.

Processing Information

Upon receipt from the Reference Division, the photographs were interfiled in the Special Collections department's general prints and photographs file. In 2007, the photographs were removed from the prints file and re-assembled as a collection.

Preferred Citation

Picture file from the *Richmond Times-Dispatch* and *Richmond News-Leader*, Accession #9698, Special Collections, University of Virginia Library, Charlottesville, Va.

Scope and Content

The collection consists of black and white photographs of scenes in Virginia. Topics include recreational activities, business and industry, people, events and historic buildings.

Arrangement

The collection is arranged alphabetically by the name of the Virginia political division (city or county) or geographic region (Eastern Shore, Piedmont) in which the photographs were taken. In addition, there are a few topical groupings (Highways).
