Acquisition Information

These papers were given to the Special Collections Library by Louis Nelson, Department of Architectural History, University of Virginia in May 2010.

Preferred Citation

Falmouth, Jamaica Field Surveys and Drawings, #14633, Special Collections, University of Virginia Library, Charlottesville, Va.

Scope and Content

This addition to the papers of the University of Virginia Historic Preservation Field School in Falmouth, Jamaica, ca. 2008, directed by Louis Nelson, School of Architecture, consists of 25 three-ring binders of field notes for the Falmouth Small Buildings Survey and about fifty-three drawings, ca. 150 items (5 boxes, 2 linear feet) total. In each binder, there were several surveys from blocks that consist mostly of forms and colored paper dividing each block. These have been removed from the binders and placed in folders by block numbers.

Arrangement

Papers are organized in two series: Series I: Field Surveys from Binders (Boxes 1-5) and Series II: Architectural Drawings (2 Oversize folders)
