Historical Information

This collection is a result of a decision to gather biographical information about University of Virginia School of Medicine faculty and friends.

Scope and Content

This collection contains biographical information about University of Virginia School of Medicine faculty and friends mainly collected from University of Virginia publications, including the "Bulletin of the University of Virginia Medical School and Hospital" from 1941 to 1946, "University of Virginia Medical Alumni News Letter" from 1948-1973, "University of Virginia Medical Alumnews" from 1974-1991, and "UVa Medical AlumNews" beginning in 1992. Multiple articles from "The Daily Progress" as early as 1942 are also included as are single articles from other publications. Bibliographies of publications of faculty members are available for some of the entries.

Arrangement

The files are arranged alphabetically according to the subjects' last names.
