Historical Note:

The purpose of motor vehicle regulations is to reduce traffic congestion, facilitate orderly parking, provide a safe campus environment and to promote the fair and consistent enforcement of rules. The Code of Virginia (S23-9.2:3) grants to the Board of Visitors the power to provide parking and traffic rules and regulations on property owned by the College and the District Courts require the Board of Visitors approval for local enforcement of motor vehicle regulations. The Board of Visitors has authorized the Office of Parking Services and the Campus Police to provide for the safety of persons on College property by enforcing these rules and regulations. Further information about this individual or organization may be available in the Special Collections Research Center Wiki: http://scdbwiki.swem.wm.edu/wiki/index.php/Dept._of_Parking_Services.
