Scope and Contents

The Gregory Family papers follow the family of Virginia Governor John Munford Gregory and wife Amanda Wallace through three generations with letters dating from the 1820's to the 1920's. Most items are letters between family members and grant insight into the daily activities and concerns of the Gregory family. The collection also includes correspondence between members of the Gregory family and other acquaintances, including members of the John Tyler family. While most letters are of a personal nature, some also touch on the issues of politics, education, religion, and agriculture. The collection is rich in genealogical information on the Gregory family and related Croshaw, Graves, West, and White families, as well as history of the family's war involvement. In addition to letters, the collection includes newspaper articles, family documents, and two diaries kept by John M. Gregory's daughter, Mattie Galbraith, in the late 1870's. There are also seven cased images of members of the Gregory Family, including Amanda Wallace Gregory, Amanda's sister (Elizabeth Christie Powell), William Wallace Gregory, and Mary "Mollie" Gregory.

This series consists of full and partial letters primarily written to John Munford Gregory Jr. Correspondents include his parents, siblings, cousins and friends from New York, North Carolina, Missouri, California, Richmond and Charles City County, Virginia. All of the letters were written after he had emigrated to California, and mostly contain family news including deaths, health, romances, marriages, business, church services, and daily life. The letters also include mention of Gettysburg Water for rheumatism, calico and alpaca dresses, troubles in Virginia's timber industry, attendance at Washington College and Virginia Military Institute commencement exercises, butchering six "right fat" hogs, and accidentally peppering a

favorite hound dog with buckshot while killing a chicken for dinner. None of the letters include their mailing envelopes. The series is organized chronologically by date.
