Administrative Information

Conditions Governing Access:

Acc. 1986.045 is restricted. Consult a staff member for details. Manuscript collections and archival records may contain materials with sensitive or confidential information that is protected under federal or state right to privacy laws and regulations, such as the Virginia Public Records Act (Code of Virginia, § 42.1-76-91); and the Virginia Freedom of Information Act (Code of Virginia § 2.2-3705.5). Confidential material may include, but is not limited to, educational, medical, and personnel records. If sensitive material is found in this collection, please contact a staff member immediately. The disclosure of personally identifiable information pertaining to a living individual may have legal consequences for which the College of William and Mary assumes no responsibility.

Conditions Governing Use:

Before reproducing or quoting from any materials, in whole or in part, permission must be obtained from the Special Collections Research Center, and the holder of the copyright, if not Swem Library.

Acquisition Information:

Acc. 1986.045 was removed from Acc. 1980.035, Donald W. Davis Papers. Acc. 1999.032 was transferred from the Biology Department in 1996. The materials were found in the building used by the Archaeological Project Center in 1996. The building was previously used by the Biology Department.

Processing Information:

The box and folder list of this collection was updated by Patricia Sanabria, SCRC staff, in March of 2012.

Preferred Citation:

College of William and Mary, Department of Biology Records, Special Collections Research Center, Swem Library, College of William and Mary.

Historical Note:

The Department of Biology offers a Master's program and attracts the largest number of undergraduate majors in Arts and Sciences at William and Mary. Further information about this individual or organization may be available in the Special Collections Research Center Wiki:
