Scope and Contents

This collection consists of scrapbooks, photographs, programs, and other material relating to the William and Mary Choir at William & Mary. Some records included in this collection pertain to the Women's Chorus and the Botetourt Chamber Singers, an a capella student organization at the College of William and Mary. The scrapbooks contain clippings, programs, and photographs of performances and other activities by the groups during the academic year. A few of the scrapbooks document the William and Mary Choir's trips to Europe over the summer break. The collection also includes photographs of choir members rehearsing, sites they visited while traveling to various venues, and other activities. A poster of photographs of the William and Mary Choir performing at the Presidential Inauguration for Bill Clinton in January 1997 is also included. The collection also includes musical CDs of rehearsals and performances. CDs and digital files in collection require at least 72 hours advanced notice for access.
