Conditions Governing Access:

This collection may contain material which may be restricted related to personnel matters, student records, or other reasons. A Special Collections Research Center staff member must review the collection for restricted material before any researchers may use the collection. Consult a staff member for assistance. Manuscript collections and archival records may contain materials with sensitive or confidential information that is protected under federal or state right to privacy laws and regulations, such as the Virginia Public Records Act (Code of Virginia. Â§ 42.1-76-91); and the Virginia Freedom of Information Act (Code of Virginia Â§ 2.2-3705.5). Confidential material may include, but is not limited to, educational, medical, and personnel records. If sensitive material is found in this collection, please contact a staff member immediately. The disclosure of personally identifiable information pertaining to a living individual may have legal consequences for which the College of William and Mary assumes no responsibility.

Conditions Governing Use:

Before reproducing or quoting from any materials, in whole or in part, permission must be obtained from the Special Collections Research Center, and the holder of the copyright, if not Swem Library.

Processing Information:

Accessioned and minimally processed by Benjamin Bromley in December 2012.

Preferred Citation:

Bruce Goodwin Papers, Special Collections Research Center, Swem Library, College of William & Mary.

Biographical Information:

Scope and Contents

Papers, circa 1970s-2000s, of Bruce Goodwin, a geology professor at the College of William & Mary. Includes research papers, reports, research material, and other information relating to geology in Virginia. There is also departmental correspondence between Goodwin and other members of the Geology Department. Finally, there is material relating to the annual Virginia Field Conference, attended by Goodwin.

Separated Materials:

Artifacts transferred upon receipt to the University Archives Artifact Collection (UA 13) include: Spring Scale (UA 2012.418.01).

Related Materials:

Artifacts transferred upon receipt to the University Archives Artifact Collection (UA 13) include: Spring Scale (UA 2012.418.01).
