Biographical / Historical

Tom Baker is a William & Mary graduate with multiple published works. He primarily worked as a corporate advertiser before transitioning to full-time writing in 2010, since then having published three novels and a book of short stories. Novels he has authored include *The Sound of One Horse Dancing*, *Full Frontal*, *Paperwhite Narcissus*, and *Green*. All of his novels explore perspectives of gay men in the backdrop of major historical events of the 20th century. Each deals with themes of sexual discovery during periods of time in which LGBTQ+ individuals were not openly accepted by society at large.

Baker's novels *Full Frontal* and *Paperwhite Narcissus* have won the Beverly Hills Book Award in the LGBT Fiction category in 2013 and 2015 respectively. For the majority of his professional life, he lived in Santa Monica Canyon, CA; he now lives in Gloucester, MA.

Scope and Contents

The Tom Baker papers consist primarily of drafts, working copies, manuscripts, and published copies of the author and William & Mary alumnus Tom Baker's published literary works. The written works represented are *The Sound of One Horse Dancing* (2011), *Full Frontal* (2012), *Paperwhite Narcissus* (2014), *Green* (2017), and various short stories. Also included are some pieces of correspondence to and from Baker regarding the status of his work, as well as working files of research material for the settings of the novels *Green* and *Paperwhite Narcissus*. The materials provide insight into the professional literary career and creative process of Baker as he wrote novels that incorporated the use of historical settings as well as the perspective of a gay man in the United States in the mid and late 20th century.

Separated Materials

An early review copy of *Green* (2017) was removed and cataloged in the Rare Books Collections in Swem Library's Special Collections Research Center.

Description of Subordinate Components

Accession 2012.095 - Manuscripts and Drafts

Unit ID /repositories/2/archival_objects/615385

Unit Date 1972-2014

Scope and Contents

Accession 2012.095 is composed of working drafts, annotated copies, and proofs used during Baker's writing process for the novel *The Sound of One Horse Dancing* and for various short stories. Some drafts are annotated by individuals who read the drafts on Baker's behalf; the only named editor is Brenda Koplin, a freelance copy editor. The material of this accession provides insight into the writing process which Baker employed to create the final product of *The Sound of One Horse Dancing* as well as the ways in which the novel evolved across iterations. Additionally, the accession provides Baker's perspective during the final edit process with the publisher, iUniverse, and the steps to bring a work into published print.
