Historical Note:

The William and Mary Alumni Association was founded on July 4, 1842, and is the sixth-oldest alumni organization in the country. All graduates and former students of the College of William and Mary are considered members of the Alumni Association. The Alumni Association is an independent, nonprofit organization that serves William and Mary and its many alumni, students, parents and friends and is governed by a 17-member Board of Directors.

The generally accepted date for the founding of the William and Mary Alumni Association is July 4, 1842. An alumni organization of some sort may have been in existence before this time. However, this is the date that the Honorable Nathaniel Beverly Tucker, a judge and professor of national and municipal law and of the science of government at the College delivered the first Alumni Day oration.

Scope and Contents

The records of the Alumni Association of the College of William and Mary include office files, material from select Executive Secretaries, meeting minutes, publications, correspondence, and other material documenting the activities of the William & Mary Alumni Association as well as the College of William & Mary's history and alumni more generally.
