Scope and Contents

This collection contains a substantial record of the administrative aspects of the Alumni Band Organization (ABO). Although the bulk of the records are related to this aspect of the ABO, the records are incomplete in several areas. However, the organization is in the process of collecting their records for donation to the University Archives and these gaps will likely be filled in the future. The records of the group are exhaustive in regards to the newsletters published by the group. However, the concert programs, photographs, and assorted ephemera are also incomplete at this time.

Acc. 2008.105 is the files of Jim Anthony, which are not currently arranged and described here.

Acc. 2010.142 contains clippings, correspondence, membership rosters, policies and procedures, and line formations of the Alumni Band Organization at William Mary from 1990 to 2002. These records were collected by drum major Jim Anthony.

Scope and Contents

The administrative documents of the Alumni Band Organization include paperwork related to the internal organization of the group including by-laws as well as a record of the minutes and agendas for the board meetings. Unit Date 1970-2012

Scope and Contents

This series represents part of the public face of the Alumni Band Organization (ABO). The bulk of this series are the newsletters and public mailings the group sends to its members as well as concert programs. Although the records span the years 1970 through 2007, they only represent the years of 1970, 2001, 2004, 2006, and 2007. The records are from shows conducted by Charles Varner as well as performances either put on or sponsored by the ABO. There are also some undated photographs as well as assorted ephemera that includes sheet music, a sticker, and a parking permit. The newsletters cover quite effectively the years the group was publishing.
