Scope and Content

The Republican Party of Wythe County generated these lists of eligible voters in 1905 in order to plan campaign strategy and target voters. The lists are typed on carbon paper and provide name of voter, age, political party affiliation, and occupation. Names are arranged alphabetically. While all of the lists only list white male voters, most also include names of black voters. Lists of black voters appear at the end of each list.

Many of the lists exhibit severe water and vermin damage; condition is noted for each list in the Contents List.
