Abstract

Fourteen reels of microfilm contain West Virginia University College of Engineering cards from 1895 to 1929. One reel consists of bills and invoices from 1898 to 1916 and laboratory cards from 1902 to 1916. Invoice cards identify the course, items purchased, such as saws, mufflers, bulbs, and clamps, and cost of each item. Lab cards indicate the student name, the lab experiment, and the grade for the work. The other reels contain student cards from 1895 to 1929. Cards provide information about attendance and grades. They are arranged alphabetically by the last name of the student.
