Biographical / Historical

Roy Bird Cook was born at Roanoke, Lewis County on April 1, 1886, the son of David Bird and Dora Elizabeth

Conrad Cook. In 1905, at age 19, he received his pharmacy license, the youngest person to ever do so in West Virginia. His pharmacy career spanned fifty-six years. During his lifetime, Cook served on many pharmacy and state boards and commissions. His interest in local history, the Confederacy and Stonewall Jackson inspired him to collect manuscripts and some 600 volumes on those subjects. His many awards and honors include an Honorary Doctor of Laws degree from West Virginia University in 1938. Cook died in 1961.
