[Description and date of item], [Box/folder number], Oscar Kubach Papers, A&M 2454, West Virginia and Regional History Center, West Virginia University Libraries, Morgantown, West Virginia.

Scope and Contents

This collection of personal, business and financial papers, and photographs reflect Kubach's business interests and employment in West Virginia coal mines, Honduras gold and silver mines, and other activities. The correspondence, concentrated in the years 1885-87, concerns Kubach's responsibilities as secretary-treasurer of the Beury Coal & Coke Company of Stone Cliff, West Virginia, as well as personal and family matters. There are also thirty-six letters to Kubach written in German from 1818 to 1886. Among the business and financial papers are also several publicity circulars from the Honduras Mining Company, a gold and silver ore venture in which Kubach probably had a financial stake. An index to the correspondence is available.

Addendum of 1978/08/23:

Ca. 1870s-1920s; 5 in. (1 document case).

This addendum includes mounted and loose paper photographs of railroads, settlements, and buildings, and cartes de visite, cabinet cards, mounted photographs, and loose paper photographs of Kubach, Sr., his family, and other unidentified persons.

Addendum of 2018/08/02:

Ca. 1875-1933; 10 in. (1 document case, 5 in.; 2 document cases, 2 1/2 in. each).

This addendum includes photographs, documents, and other material pertaining to Oscar C. Kubach, Sr., Oscar C. Kubach, Jr., and their family. Photographs include cartes de visite, cabinet cards, mounted photographs, and loose paper photographs of members of the Kubach family and other, unidentified persons. Documents include personal and business correspondence (a few items), Masonic certificates and documents, and the Kubach family coat of arms. Also included in this addendum are a large, hand-drawn map of Stone Cliff, WV, Masonic awards, a 1914 Charlestonian yearbook from Charleston High School in Charleston, WV, and other personal effects of Oscar C. Kubach, Sr.

Container 2b (Folder)

Scope and Contents

This series includes a carte de visite, a tintype, mounted photographs, loose paper photographs, and a postcard (15 photographs in all).

The carte de visite (ca. 1870-1885) is a portrait of Oscar C. Kubach from Leaman & Lee, Photographers, in Reading, PA.

The tintype (August 8, 1880) is a portrait of Kubach and four other men taken during "Extreme Night" at Harry Phillips' Novelty Picture Gallery in Atlantic City, NJ.

The mounted photographs (ca. 1870-1910s, undated) consist of two portraits of young men (one from Harness, WV and the other from Pendleton County, WV) and a group portrait of unidentified persons at a dam.

The loose paper photographs (ca. 1910s-1920s, undated) consist of several candid portraits of unidentified persons, two landscapes (one labeled, "River View Charleston, WV"), a posed portrait of three unidentified young men, and another posed portrait of two women and a man (the man's head has been carefully cut out of the image); these photographs look to be taken after Kubach's death in 1899, so it is likely that these images were taken or owned by his son Oscar Kubach, Jr or another of his children. The postcard (ca. 1910s-1920s, undated) depicts a football team, likely high school or collegiate, with handwritten labels for each person. A note was written on the back, but someone has trimmed the post card to focus on the image, removing much of the card's content.

These images are available online; see Digital Material.

Also included in this series are negatives and photocopies of images from both this series and the 1978 Photographs addendum.
