Abstract

The collection consists of a letter from William N. Page, organizer of the Gauley Mountain Coal Company, concerning dangers in mining; abstracts of land titles granted to Robert Morris in 1795; World War II production statistics for the company; copy of a contract between the company, the United Mine Workers of America, and the Charleston General Hospital for hospitalization of miners and their families; letter outlining the life of Robert Hamilton Morris, director of the American Institute of Mining Engineers, 1946; and two blueprints showing bore holes and face section of the Pocahontas No. 3 and No. 4 coal seams.
