Abstract

A documented interpretation of the architectural and physical history of the West Virginia Independence Hall touching upon those persons who have had an impact upon its design, construction, maintenance, and preservation. Most prominent of these are two architects: its original designer, Ammi B. Young, and the man primarily responsible for its restoration, Tracy R. Stephens. Included are floor plans, section views, photographs, and specifications of the building itself and of other similarly designed buildings.

Creator

Wheeling Custom House / West Virginia Independence Hall

Extent

0.15 Linear Feet Summary: 1 3/4 in. (1 reel of microfilm, 1.75 in.)
